**Subject:** Re: 35% Design Review comments for W917PM-07-D-0015 0010

Dear Sir,

Many thanks for your email with the attached comments and even our expectation was to receive the comment on 10, Jan 2009 because we submit our design on 26, Dec 2008 and we will try to incorporate these comments in the revised design,

thanks

Nadeem
